has grown up with
you

KIT'S KORNER

First of all, I want to take a moment and thank all of the members and the SSCC Staff for making Marta & I both feel so welcomed into the club and the community. We both are very excited about moving to Sulphur Springs and especially becoming a member of the staff here at the Sulphur Springs Country Club. The future looks bright for the club and the opportunity to introduce the various programming possibilities throughout all departments in the club. Our personal goals are to bring a sense of "FUN" into our activities that we will be offering to all members and do our very best to reach out throughout the entire membership to drive new activities for everyone.

We will be putting together a 2020 monthly calendar of events that will be handed out during our upcoming Christmas Open House and Pro Shop Annual Sale event on Friday, December 6, 2019. Some of the new events which we will be establishing for our members are as follows:

- Develop a "new" MGA (Men's Golf Association)
- Tuesday Night "Pot of Gold" Dinner Buffet where we will host a weekly drawing to reward a lucky member who attends the dinner.
- November we will be adding a new golf tournament called the "Turkey Shoot"
- December will have the Christmas Open House along with a Toys for Tots golf tournament called Santa Snow Fight

These events represent just the tip of the iceberg to the various programming event opportunities that we will be expanding upon for our members to experience moving into a new calendar year of 2020. Any Business Meeting, Birthday Party, Graduation Party, Celebration of Life Event, Family Reunion, and last but not least an upcoming Wedding and or Wedding Reception, Sulphur Springs Country Club is the perfect venue to host such activities and our staff will go out of their way to make sure the smallest of detail is not overlooked. Please contact our Hospitality Director Ms. Jessica Gober to book and plan your next party and event.

KIT'S KORNER CONTINUED...

In regards to new news we will installing a new effluent water line to bring the City of Sulphur Springs effluent water to our main holding reservoir which in turn will give the club use of unlimited water especially during the hot summer drought months in Texas. This in turn will allow our Golf Course Superintendent, Billy Huckabee, the opportunity to expand our irrigation capacity here at the golf course. Conditioning will become better as our irrigation system will be expanded for additional coverage and grass coverage throughout the course. This past month I have had the opportunity to meet with both the LGA & MGA Boards to discuss both of their organization plans for 2020. A comprehensive tournament calendar is being developed to address all of our Men, Ladies, Seniors, and Junior golfer needs and desires moving forward. Should any of you have a tournament idea or specific format please feel free to reach out to me and my office is always open to our members and especially our golfers.

My personal e-mail is
kthomson@sulphurspringscc.com and my office
telephone number is (903) 885-4748 x3

“

**FUN begets FUN,
Activity begets
Activity!!**

In closing, we will be introducing a new 2020 Member Referral Program to the club as members are the lifeblood of any club and we want to put a program in place where we can reward our existing members for bringing their family and friends into Sulphur Springs Country Club membership family. Please take time out of your busy schedules to come have dinner or Sunday Brunch at the club. My door again remains open for any complaints and or suggestions on how we can better the member experience here at Sulphur Springs Country Club.

Have a great November and have a safe and Thankful Thanksgiving with each of your families.

Golfingly
Yours,

W. Kit Thomson, GM/PGA

Fall is finally here, school is back in full swing and we are headed toward the Holiday Season. The Sulphur Springs High School and Texas A&M Commerce golf programs are in the middle of their fall tournament schedule and both competing at a high level.

We greatly appreciate the membership welcoming these programs to practice at Sulphur Springs Country Club.

SSCC hosted the 2nd Annual Sulphur Springs Wildcat Invitational on Monday, October 14th. The golf course put up a good fight against the 23 boys & girls teams we had competing, especially the greens. Two of our Wildcat golfers had career best tournament rounds of 71 to win Individual Medalist honors.

Mariam Tran (Jr.) had it on cruise control on her way to a 6 shot victory, while Colton Bench (Sr.) had to birdie 2 of his last 3 holes for the individual victory. The Wildcat Boys Varsity team also took home the team title with a total score of 323. This was a great tournament for both teams to finish their Fall Schedule and prepare for big things in the Spring.

SSHS GOLF FUNDRAISER

4-Person Scramble

Saturday, November 9th

12:30 Shotgun Start

Dinner & Awards following play

On Course Contests

Raffle

\$400/team

For more information about this event,
please email tflippin@sulphurspringscc.com
or call the Pro Shop at
(903) 885-4861

The Wildcat golf programs are doing great things under Coaches Jeremy DeLorge (Boys) and Whitney Spigener (Girls) to grow the game of golf in our school system, but we need your help! The Boys & Girls golf teams will be holding a fundraising tournament on Saturday, November 9th.

High School golf is expensive and the programs could always use some help.

This fundraising tournament will allow the Coaches to enter the kids in more tournaments, some that involve some travel and overnight trips, as well as ensure that they have the proper equipment necessary to compete. Please mark your calendar and enter a team on November 9th.

JESSICA'S PARTIES & EVENTS

H A P P Y
T H A N K S G I V I N G
